Instead of taking off passenger trains No. 413 and 445, as was reported they were run through to Lexington instead of stopping at Staunton as has been the case for some time. This will be a great convenience to many travelers as well as of great value to the people of Lexington and Rockbridge counties generally.

Nature's Remedy Company now located at Opera House, Woodstock, are meeting with remarkable success. They will remain one week longer commencing Nov. 15th. Bring the afflicted to consult the wonderful Indian Medicine Man. If you have any teeth you would like extracted the lightning dentist can take them without pain. No charge made to patients.

The following is said to be an excellent remedy for cholera, we give it for what it is worth: Equal parts of charcoal, sulphur, sulphate of soda and Antimony Sulphuretted, with double the quantity of Sodium Chloride, Hypophosphite of Soda and Bicarbonate of Soda. Mix and give a tablespoonful to every two hundred pounds of hog, once a day.

Do you know that the wonderful Indian Medicine Man now located at Opera House, Woodstock, can describe your ailments without asking any questions. This may seem strange, but it's never the less true. Bring the afflicted to see him. He will remain only one week longer—commencing Nov. 15.

We call attention to the advertisement of Snarr & Miley. These gentlemen have built up an extensive business at Tom's Brook. They carry a large stock, buy in large quantities, and are thus enabled to compete with the stores in much larger places. They give their customers good bargains and are constantly increasing their trade. They are successful, because they deserve success.

A Beautiful Wedding.

The marriage of Mr. J. Ashby Dwyer and Miss Lucy A. Duncan both of this place at the Reformed Church on last Wednesday evening was attended by a large crowd of people. The bride and groom entered the church about 8 o'clock, preceded by the ushers, Messrs. Benjamin Hoover and Frank Grubill, while Miss L. Rhoads' wedding march was beautifully rendered on the organ by Miss Lee Baker. The ceremony was performed by Rev. N. H. Skyles, of whose church the bride was a member.

The bride was beautifully attired in a cream colored dress and carried in her hand a handsome bouquet of March Niel and La France roses.

The church was tastefully decorated with flowers, and potted plants. In front of the altar was an exquisite bell of white cressantheums, under which the happy couple stood while the ceremony was performed. We extend to them our sincere congratulations, with our warmest wishes for a long and happy married life.

The members of Shenandoah Chapter of the Daughters of the Confederacy, assisted by much of the best talent of this section are now arranging for a high class musical and dramatic entertainment in Irwin's Opera Hall in Woodstock, on Friday night, Dec. 4th.

This will not only be an entertainment of the very highest order of merit, and as enjoyable and interesting as anything our people have seen for a long time, but is for a cause that must appeal to all of us as hardly anything else could. The proceeds are for the purpose of marking and fixing up the graves of the soldiers of the South who rest in our burying-grounds, those heroes who braved the bloody path of the battle field, the pangs of hunger, the privations of the camp and the weary march through all those long dark and bitter years of war for our God given rights. They gave up life itself for us, and surely we should remember them, and with grateful hearts give the little pittance required to mark their humble graves.

Let every old soldier, every man, woman and child attend this entertainment and thus help the ladies in their unselfish labor of love.

Torch Light Procession.

The Republicans had a torch light procession at Woodstock last Wednesday night. A large crowd was in attendance. The procession was quite large, and presented a beautiful appearance as they entered the town. The torches were carried by the members of the party, and the crowd followed them through the principal streets of the town. A number of banners containing Republican mottoes were carried by the torchmen. After marching through the principal streets the crowd assembled in front of the Court House where they were addressed by Mr. J. N. Davis, of this place. A number of residences and business houses were beautifully illuminated.

Long experience and wide acquaintance with drugs enable us to place our prescription department upon unequalled footing. We enjoy the absolute confidence of local physicians. "Filled at Our Pharmacy" means only pure drugs used and absolute correctness. This is exactly what's most essential to the production of effective medicines. Purity of drugs and accuracy in their use are our two points. In the extent, completeness, and variety of our stock we are seldom equaled and nowhere excelled. Come to us for everything in the drug line.

L. R. IRWIN, Cor. Main and Court Sts. Woodstock, Va.

The Natures Remedy Company which reached here last week, has been giving entertainments every night since Thursday last, at Irwin's Opera Hall. The houses being well filled each night by a well pleased audience. These entertainments, which have been free except a few nights, when a very small admission fee was charged, are very good indeed much better than many of the troupe of comedians that come with a great flourish of trumpets. The Indian medicine man who is with the company, and who carefully examines the sick and afflicted, has relieved a great many sufferers, and the medicines sold by them, and which are compounded from nature's pure herbs and plants, have caused a large number of cures.

The lightning dentist is a wonder in the extraction of teeth.

No one should fail to read the new advertisement of Fravel & Feller in this issue. This is one of the large furniture firms of the Valley and they do no inferior business. They are up and running in everything in their line, and although an old house they keep all that is new, good and stylish you can do as well with them as you can in the cities, and in many things even better.

Their undertaking department cannot be surpassed, and as funeral directors they have no superiors.

On Sunday Mr. Milton Bowman, a resident of near this place, was committed to jail, having been adjudged a lunatic. For some weeks Mr. Bowman has been wandering over the country heavily armed, to the terror of many people. Several times he came into Woodstock and was arrested. During the past week or more he has been stopping people along the road and demanding money. Wednesday morning an attendant came from the Western Hospital at Staunton and took Mr. Bowman to the hospital on the return train.

We learn that work has commenced on a new Methodist church at Chapel Grove in the northern section of this county. The people of that section never do anything by halves and we feel sure a nice church will soon be one of the improvements that that progressive part of our county.

Notice.

The tax bills for the Corporation taxes of 1896 are now in my hands. Parties desiring to pay their corporation taxes will please call at my office in Court square. Those who pay prior to December 1, 1896 will save 5 per cent which will be added after that date.

Respectfully, W. M. Magruder, Treas. Corp. of Woodstock.

The Potomac synod, of the Reformed church, at its late sitting in Atlanta, Ga., directed that the ministers under its jurisdiction, preach a sermon on the evils of intemperance, on the fourth Sunday in November. In compliance with this action of Synod, the pastor of the Reformed church of this place, will preach on the evils of intemperance next Sunday at 11 o'clock, a. m.

Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a mild cathartic. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is a reliable appetizer and aids digestion. Old People find it just exactly what they need. Price fifty cents and \$1.00 per bottle at R. Schmitt's Drug Store.

Court Proceedings.

Commonwealth vs. John Shoven, charged with poisoning a cow. The defendant was found not guilty.

Commonwealth vs. O. S. Manck. The jury found the prisoner guilty of grand larceny and sentenced him to term of imprisonment in the penitentiary at three years.

In the case of the Commonwealth vs. Elmer Wetherholt for the murder of his wife, which was tried at the August term of the County Court of this County, resulting in a verdict of murder in the second degree, the Court ordered a "nolle" to be entered. In dismissing this prosecution, the Court said, in substance, that in the former trial of the case the verdict of the jury had been set aside because there was no evidence to warrant the finding of a verdict for murder in the second degree, the whole of the testimony of the Commonwealth going to show that the crime was murder in the first degree. The State provides that where a party has been found guilty, and verdict has been set aside, he can never be convicted for a greater crime than that for which he has already been convicted. This makes it impossible for the second trial of the case to result in a verdict greater than murder in the second degree, and as it will be impossible for the Commonwealth to show the overt act for the murder in the first degree, the Court without showing that the crime was murder in the first degree, the Court would feel it to be its duty to set aside that verdict, for the same reasons that the first verdict was set aside, and that being the case there was no reason why the case should be again submitted to a jury and cost accumulated against the State.

The following letter which was received by Post Master Rodesser Monday, gives the death of a former Woodstock boy, one who will be remembered by many of our people:

LISTER HOUSE, DEMOPOLIS, ALA., Nov. 14th, 1896. Post Master, Woodstock, Va.,

Dear Sir:

Will you please have one of your newspapers publish the following and much oblige me. Robt. Purvis, Co. H. 7th Va. Cav., Rosser's Brigade, Confederate States Army, born at Woodstock, Va., Oct. 28th, 1846, died Oct. 25th, 1896, at 26th, 1896.

He had only been in our city a short while and was a stranger here. He was a brick mason by trade. Perhaps he has some relatives there.

Yours truly, J. N. LISTER.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

The sanitary condition of our jail demands the attention of the proper authorities. That it is in a very unhealthy condition, there is no doubt. Every member of Mr. Wenger's family including himself has had a severe case of fever. While we believe it is the result of negligent sanitary arrangements, it is certainly a subject which should command the closest investigation upon the part of the county authorities. There is certainly some serious defect in the arrangement of modern jails. The same unsatisfactory conditions were informed prevail in the Rockingham jail and a number of the members of the jailors family have had typhoid fever.

One of Mr. Wenger's children is now suffering from the fever.

Look Here!—Have you any decayed teeth you would like to have taken out? If so, call at the office of Nature's Remedy Co., Opera House, Woodstock for an immediate removal, commencing Nov. 12th, dentists. Positively no charge made to patients. This extraordinary offer is given in order to induce you to try Dr. Sagarino's Remedy and other wonderful medicines which will soon convince the most skeptical of their remarkable curative powers. Sold by all druggists.

Did you see anything of the great meteoric shower on last Friday night? We really don't think the stars did much "shooting" around here that night, excepting on account of the corporation laws against firing guns, pistols, squibs and fireworks generally inside the town. It is well that the stars should regard our corporation laws, nothing else does to any great extent.

The hunting party consisting of Mr. W. H. Thompson, of Pittsburgh, Mr. Chas. Lowe, of Allegheny City, Pa., and Messrs. W. L. Laughlin and A. R. Meers, of this place, returned Sunday evening from a week's hunt on Lost River, Hardy county, W. Va. They were quite successful and brought back with them two deer. They also bagged a nice lot of small game.

A number of young ladies and gentlemen from Woodstock, Edinburg and other points, gathered at the hospitable home of Mrs. E. S. Maray in Edinburg on Tuesday evening where they enjoyed themselves in dancing and socializing with members of the Woodstock, Edinburg and New Market orchestras. About twenty five or thirty couples were present in great plenty and the young people left blessing Mrs. Maray and her amiable daughters for a most enjoyable evening.

OBITUARY.

Mrs. Fannie Lee Mathias, of Hamburg, Shenandoah county, Va., died Nov. 15th, 1896, aged 36 years 7 months and 22 days.

Mrs. Julia Feller, widow of the late Samuel Feller, died at Staunton on Tuesday. She was a sister-in-law of Mr. M. G. Feller and Mrs. Geo. R. Fravel, of this place.

Mrs. Rebecca Carter, widow of the late Franklin Carter, of Loudoun county, died last Monday night, at her home, near Middleburg, at an advanced age.

Mrs. Carter was the mother of Mr. B. F. Carter, of Loudoun county, and the famous Capt. Tuck Carter, of Chew's Battery.

Departed this life at her home in Shenandoah county, Va., October 15, 1896, of consumption, Mary M. Hamman, daughter of Harriet and Martin Hamman, deceased, aged 15 years, 5 months and 15 days. She had been complaining several days, having been thrown from a young horse some time last winter, from which she never fully recovered. Lung disease finally set in and without any abatement, although treated by some of our best physicians she was snatched from the bosom of a sorrowing mother and two surviving children—two having already preceded her to the spirit world.

She was consigned to the Evangelical Lutheran church by Rev. P. C. Wike and her present pastor administered to her the communion only a few days before her death. A large congregation having assembled at the house, and after services there, she was conveyed to the family graveyard and there interred in her final resting place to await the sound of the trumpet in the morning of the resurrection.
